Description: «Rondaj» is an Esperanto term meaning «round», a simple shape that encloses a high efficiency integrated LED lighting element. Diffuse light enhances the ceiling and creates spatial depth. The floor lamp Rondaj version illuminates upwards by reflected light and downwards by direct light, adjusted separately by memory touch dimmers located on the stem. The floor lamp is designed with visual comfort in mind, and is ideal for moments of relaxation.

Plus: Diffuse light enhances the ceiling and creates spatial depth. The floor lamp is designed with visual comfort in mind, and is ideal for moments of relaxation. Attention to detail can be seen in the steel and French gold finishes, with the metal brushing done 100% by hand. An artisan touch that makes each lamp unique.
