

Table lamp
6 W
900 Lumen
CRI90

Description: Designed as a light for reading, studying and working, it allows you to direct the light as required, adjusting the intensity by memory touch dimmer. Stable, handy, functional. Doc is simply practical, a lamp that offers a quick solution for lighting the work top, the desk and the relaxation corner. The light source rotates at 330 ° , it highlights the desired area, ensuring visual comfort.

Plus: Built-in Led table lamp. The lamp is equipped with a joint on the base, a joint between the two rods and a joint on the source. This allows you to direct the light beam as you like. Memory touch dimmer on the base.
