

Ceiling lamp
39 W
4740 Lumen
CRI90

Description: In the Mir collection, simple shapes and technological innovation combine for a winning result: one single sheet of flat glass, with hot-pressed indentations, and a simple quick magnetic quickening system, with no visible screws. The glass, a reminder of local tradition, can be decorated in gold or silver leaf, an artisan technique that gives Mir the uniqueness and refined elegance of a handmade product.

Plus: Built-in Led ceiling lamp. The diffuser consist of a single sheet of flat glass, with hot-pressed indentations. The glass is shiny, the decoration is applied on the back. The glass, a reminder of local tradition, can be decorated in gold leaf, an artisan technique that gives Mir the uniqueness and refined elegance of a handmade product. The glass is fixed with a magnetic system in order to facilitate installation. The lamp is phase-cut dimmable.
